Please Note:

All artwork is printed in CMYK colour space. To ensure your correct artwork please convert all to an equivalent CMYK breakup. Please be aware that slight colour variation may occur in the printing process from monitor to output. Rasterised artwork is printed at 300 dpi. We advise full sized artwork supplied at 300 dpi for best quality, we can work to 72dpi at a low quality print. Our visuals are copyright protected & are not be forwarded to other companies otherwise an art working fee will be enforced.

Please Note:

All artwork is printed in CMYK colour space. To ensure your correct artwork please convert all to an equivalent CMYK breakup.

Please be aware that slight colour variation may occur in the printing process from monitor to output. Rasterised artwork is printed at 300 dpi. We advise full sized artwork supplied at 300 dpi for best quality. We can print from 300dpi to 30dpi; Pixelation appears at 72dpi, this is the minimum size recommended. Our visuals are copyright protected & are not be forwarded to other companies otherwise an art working fee will be enforced

Note: "Halfwalls" are folded over a crossbar and stitched onto the inside.

For front printing the artwork should be up to the designated top of the half wall stitch line. Inside artwork is not available.
